### **New WingX marketplace goes international with the WingX Application for iOS and Android**

Travellers can now experience the various offers and services of the WingX-Companions while travelling around the world. Experience cities and countries with a “local friend”!

A new marketplace has arrived. The idea of a group of like-minded people is to develop new ways of bringing travellers and WingX-Companions together. Everyone can integrate WingX into their daily lives. The growth of WingX and the increasing number of users gives ample choice of interesting offers in all countries.

### **WingX, marketplace of the free**

WingX is a growing group of travellers who want to promote the communication between people who are open for new experiences and like to be with the best companions possible. The feature gives custom-made options of local knowledge to users. The mobile technology presents an abundant variety of services. Users enjoy unique functions like finding the nearest service of their interests and they will have real-time contact with a WingX-Companion.

### **WingX makes life better**

Setting up a profile is easily done on your smartphone in a matter of minutes.

Wiro Bakker, CEO and Founder of WingX: *“We are the marketplace to enrich your life with all kinds of unique offers. Your travel experiences become smarter and more fun as we’re providing short cuts for available services all over the world. We believe that everyone should be able to enjoy WingX. Launching our app brings you one step closer to that dream.”*

Stefanie Hirschfeld, the driving engine behind WingX: *“While travelling, we meet the most interesting people. Our WingX-App will help to easily contact likeminded people, wherever you travel. Make new friends in real-life not only on the internet. Share your ideas and knowledge as a traveller as well as a “local friend”: a WingX-Companion. We believe this makes travelling even more fun”.*

Hamadi Ettarfass: *“The collaboration with Stefanie and Wiro to create and launch the WingX App was an exciting venture. With this App, we are proud to build a bridge between the traveller and the “local friend” by connecting them in real-time along with detailed descriptions and pictures for references.”*

### **Use WingX to connect**

WingX commits itself to a fundamentally different approach - simplifying every moment for travellers to enjoy quality time. With this App release today, everybody has the chance to create their own travel experience. Apart from generating an income, the WingX-Companion shares his/her local knowledge to make the difference you are looking for.
